Cabernet Franc

2022

Cabernet Franc thrives in the Finger Lakes, offering an elegant expression of this classic varietal. At Hermann J. Wiemer, we carefully selected our ripest site for planting to ensure optimal fruit development. Our vineyard practices include purposeful vine spacing and planting angles designed to optimize sun exposure and hang time, promoting even ripening and balanced fruit. This wine is fermented and aged in stainless steel and large format neutral oak. This approach preserves the wine's vibrant fruit character and highlights the more delicate qualities of the varietal. The result is a wine that is both approachable and nuanced, celebrating Cabernet Franc's success in a cool-climate terroir.

TASTING NOTES

On the nose you'll find a bouquet that dances between earthy forest floor and ripe red cherries as well as a whisper of dried leaves. On the palate its silky, yet structured, with bright red fruit unfolding into a darker berry compote with refined tannins. We recommend pairing this with a Slow-Roasted Pork Shoulder Taco Tray, the Thanksgiving Dinner Table and a No-Bake Chocolate Torte.
