Dry Riesling 2023

Dry Riesling is the signature wine at Hermann J. Wiemer Vineyard. Fruit is sourced from our estate vineyards around Seneca Lake where the diversity of meso climates allows for a layered expression of fruit character owed to different ripening profiles. Dry Riesling is typically created with over 40 different hand-picked selections; early picks to capture acidity, middle picks to help build body and texture, and late selections for ripeness and complexity of flavors. This picking style, along with thoughtful winemaking and sustainable agriculture, shapes the Dry Riesling into something that holds the essence of a place and represents our core identity

TASTING NOTES

Vibrant and aromatic, this wine features a distinctive mineral quality that has become our trademark. Tart fruits and fragrant spring blossoms set the stage for a succulent palate, balanced with a refreshing crispness, revealing the true qualities of the Riesling grape. We suggest pairing it with red curried shrimp, chicken teriyaki or herbed chicken.
