

STANDING STONE VINEYARDS

TEINTURIER SAPERAVI 2023

Our estate Saperavi is sourced from plantings rooted deep in the shale slopes that define our region. Standing Stone Vineyards first planted a quarter acre of the Georgian varietal in 1994, and have continued to add acreage to the site over the subsequent decades. Saperavi is a teinturier varietal unique for having pigmented pulp. This wine displays black and red fruit notes on the palate and finishes with structural acidity and fine tannins.

ABOUT STANDING STONE VINEYARDS

Standing Stone Vineyards is unique in that it combines historic vineyards and an established past with endless prospects and avenues for exploration. The wines we make look to showcase all that this exceptional site has to offer. In order to achieve the purest expression of place, we implement low intervention practices, both in the cellar and in our farming methods and are working to increase biodiversity and ecosystem health and eliminate synthetic inputs.
